

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 475 - SB 451**

March 11, 2011

**SUMMARY OF BILL:** Adds language that a driver is considered under the influence if the driver has any amount of Schedule I chemical or controlled substance in the blood, saliva, urine, or other bodily fluid, unless the driver has a prescription for the substance. Specifies additional standards for which a driver is considered to be under the influence.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- According to the Department of Safety, there will be no impact on the enforcement duties of the Department or the number of restricted driver licenses issued.
- Current law prohibits a driver from being under the influence of any intoxicant, marijuana, controlled substance, drug, substance affecting the central nervous system or combination thereof that impairs a driver's ability. Any impact on the number of offenses classified as DUI will be not significant.

**CERTIFICATION:**

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in blue ink, reading "James W. White".

James W. White, Executive Director
